what is champions for children's?

When the best in sports joins the best in pediatric medicine – the possibilities are endless. For one night each fall, it happens at *Champions for Children's*, a fundraiser benefiting Boston Children's Hospital. All of Boston's business leaders and professional sports teams – the Boston Bruins, Boston Celtics, Boston Red Sox, New England Patriots and New England Revolution – rally behind *Champions*. Thanks to their support, and the support of generous event sponsors, the event has raised more than \$42 million for Boston Children's since 1997.

Champions 2016...The Dream Team!

Each year, *Champions for Children's* takes on a new theme to celebrate the true champions – from our star caregivers and researchers, to Boston's business leaders and professional athletes – who go above and beyond to better the lives of our smallest and most courageous champions...the patients at Boston Children's.

Join us this year as we honor all of the "dream teams" that come together to make the extraordinary happen for the kids and families who need us most.
