Can You Come Out and Play?

It's time to feel like a kid again! Join us for Kidding Around, a playful event benefiting Boston Children's Hospital. It's a night like no other, where adults can run, jump, laugh and play – and make a difference! The event features classic arcade and carnival games, larger-than-life board games, and so much more! (Including delicious food – featuring kids' menu favorites, of course – along with fun specialty cocktails.) It's a night you won't want to miss...ALL the cool kids will be there. (No pressure.)

Why?

For one night, be a kid...for the kids. Kidding Around is a different kind of fun, interactive fundraising event (more of a FUN-raising event really). It's a unique opportunity to unwind from the daily stress of being a grown up by enjoying all the best parts of being a kid...and knowing that you're supporting the kids who need Boston Children's Hospital most.

All funds raised at Kidding Around benefit the Every Child Fund at Boston Children's, which gives our patients the chance to get well and get back to being kids themselves.

Where?

One of Boston's most unique venues, Cruiseport Boston offers amazing views of Boston Harbor and – for one night only – will be transformed into the biggest playground (and carnival...and arcade...) around! (Cruiseport Boston is located at One Black Falcon Ave, Boston, MA .)

How?

Tickets start at \$75 and sponsorship opportunities range from \$2,500 – \$50,000
