Una Noche de
milagros
para niños

Friday, September 26, 2025 | Omni Boston Hotel at the Seaport | 6:30 pm

For 16 years, [Una Noche de Milagros para Niños](#) (*A Night of Miracles for Children*) has united community leaders, businesses and supporters with a shared passion: to help Latino kids fight illness. Join us to celebrate, raise funds and create healthy futures for kids around the world. Put on your dancing shoes and let's make milagros together!

Be a lifeline for families

Raise funds and awareness to help Spanish- and Portuguese-speaking kids find lifesaving answers at Boston Children's Hospital. Milagros para Niños provides everything from expert medical care to housing, emergency funds and counseling to help families stay strong.

Celebrate with our world-wide community

Milagros para Niños helps make Boston Children's a place of hope and healing for all. Last year, almost 300 Latino children from 22 countries traveled to Boston Children's for innovative care they could not get anywhere else. Together, we make that possible and fuel local community health programs.
